

## What does the Nathan Hale Athletic Booster Club do?

The Nathan Hale Athletic Booster Club exists to promote and support all athletic organizations (including cheerleading and Poms) and athletic events at West Allis Nathan Hale High School.

We seek to promote school spirit by encouraging habits of friendship, sportsmanship and cooperation between students, parents, staff and friends of West Allis Nathan Hale High School.

Outside of membership, the Booster Club raises funds through:

- Concessions sales
- Sales of Spirit wear
- Direct donations
- Flower and plant sales
- State Fair Parking
- We Care Pick N Save program
- Other fundraising activities

A Booster Club Membership not only helps the club out by raising money for Hale Athletics but gives members great perks for home games. The Booster Club Pass works for all conference and nonconference home games where admission is charged, all home Invites where admission is charged AND at the Hale/Central GMC regular season events hosted by/with either school where admission is charged. So you and the family can save a lot of money and have a great time supporting our teams!

Some of the funds raised by the club support the athletes through the following annual expenditures:

- Funding the athletic trainer who is available to all athletes
- Funding the Fitness Coordinator from the Wisconsin Athletic Club who is available to all athletes
- Purchasing the trainer supplies like tape
- Purchasing trophy cases throughout the school
- Funding the purchase and maintenance of equipment in the weight room, including bikes, weights, machines, mirrors, pads, and recently 3 treadmills
- Funding the purchase of the new banners in the gymnasium
- Funding the Blandino award scholarships, triple athlete awards and other athletic awards
- Supporting needs like new dugouts for the baseball diamond, softball scoreboard, swim touch pads, and padding in the Hale Gymnasium
- Providing money directly to teams when they work concessions or State Fair Parking

Here are ways that you can help us achieve our goals:

- Attend monthly meetings to find out what's happening with Hale sports teams. Your input is valued
- Attend the sporting events and purchase refreshments from the concession booths
- Purchase Nathan Hale apparel through Booster Club
- Volunteer your time working events and concessions (our concession program is dedicated to sell concessions at as many events as possible to enhance the entire West Allis Hale community's experience)
- Make a donation. All amounts welcome!

Who do we absolutely positively need to achieve these goals? YOU! We need lots of people willing to help and more importantly having membership is a win/win for you and your family as well.

Lastly you are our most valuable advertisement resource. Spread the word to the families that are not members and encourage them to not only save on the cost of admissions for the 2011/2012 games but also support a great cause. More information is always available at our newly designed website [www.haleboosterclub.org](http://www.haleboosterclub.org)

LET'S GO HUSKIES!!!!!!!!!!
