### Presidents Report – George Sotiros

- a) All-conference awards are listed – see report, Mike Sperka will get the list of Scholar athletes to George.
- b) Program booklet- Larry Martin. 200 letters went out and we have 4 advertisers so far. Ad deadline was December 3<sup>rd</sup> but will move out to December 10<sup>th</sup>. Pictures coming in look good. Larry will send estimated costs to George.
- c) Outstanding items:
  - Softball scoreboard. Have talked to Rec Dept about transformer-still working on. Once done then the scoreboard will be ordered.
  - Fans- will wait to it is closer to Summer
- d) Yearbook –Mr. Lesar talked with Yearbook advisor and the format is decided the year before. However this year they have chosen the traditional format and the team/activity photos will be larger. Each sport should have 2 pages and Activities 1 page. There will be a Captain and Coaches corner for write ups.
- e) Weight room trainer- see notes under Athletic Director.
- f) By-laws: Please review print off and send any comments/suggestion to Dorothy Riley ([dtriley86@yahoo.com](mailto:dtriley86@yahoo.com)).

- g) Trophies, Plaques, trophy cases- Would be nice to have year round team trophy cases vs coaches having to swap out fall sports to winter sports etc... This way history is not forgotten and hopefully will build more involvement. Discussion of a walk of fame- teams that are conference champs etc...Mike and Matt will put plan together and Booster Club offered to help
- h) Towels for Winter sports- currently not available, teams using one towel for the whole team-not very sanitary. Is there a plan in place, a solution? Matt Lesar will look into situation.

#### **Athletic Director report – Mike Sperka**

- Team funds - see report.
- Talked with students about expectations for cheering at games. It was a positive meeting.
- Weight room trainer- We had a WAC proposal and will be meeting with them on Monday to get things moving
- Suggestion made to have acknowledgment/recognition for all- conference athletes with items for letter jackets.
  - Also looking at adding a 'Triple athlete award' to present to athletes that are involved in 3 Varsity sports in one year. Would be presented at Awards Night in May.
- Sanitation of locker rooms- Met with Dawn Smith, she took measurements and will give a proposal of costs - this would be for the Girls and Boys locker room, football room and weight room. Also talked with Dan Larsen in Maintenance – no problems from that stand point.
- Trainer, Lisa Stick, has been back in the hospital and we have had a sub but hoping to have Lisa back December 8th.
